

OneChain

IMMUNOTHERAPEUTICS

OneChain Immunotherapeutics S.L is a clinical stage spin-off company from Fundació Josep Carreras with investment by Invivo Ventures, Clave Capital, Nara Capital and CDTI-Invierte (Ministerio de Industria). Our mission is to improve people's health by advancing our clinical and preclinical pipeline of CAR T-cells against various cancers. OneChain is growing rapidly and is about to expand to a new laboratory in the Barcelona Scientific Park (PCB).
